

Your Preadmission Surgical Visits what you need to know

- Visits should be scheduled up to 5 days before the scheduled surgery
- **Please schedule any clearance appointments needed with your Primary Care Doctor or other Specialist physicians before coming in for your visit.**
This will help ensure enough time for any additional testing that could be needed.
- Upon arriving to JFK, you will register and then meet with a RN in Preadmission Department
- This visit may take 2-4 hours, depending on your needs and tests to be completed
- The RN will go over your health history and surgical instructions.
Blood work, EKG, x-ray or other diagnostic tests may be done if needed.

Your Preadmission Surgical Visits what you should bring with you

- Drivers License and insurance card for registration, co-pays may also be collected at this time. Please call 548- 3636 for any questions regarding registration.
- Please bring a list of your medications or the bottles with the doses and frequency taken.
- You may bring a family member or friend if needed to help you.
- Write down any questions to be sure to ask during your visit.

Should you need to cancel or reschedule your appointment, please call 548-3437
